Meeting #4

- Attendance will be taken starting tonight. You received automatic credit for the first three meetings. To receive credit tonight you must be 1) on time, and 2) in correct uniform. If you are late and not excused, you can receive credit by doing 2 pushups for every minute late. The Yeoman will record on time and in correct uniform on the roll sheet. Roll will be taken tonight by Yeoman Liz Fletcher. If you are late, see Liz to pay the penalty in pushups.
- Telephone lists and calendars are available from the office table.
- GUYS only: If you have Mariner shoes that are too small and you would like to sell them back to us, bring them next week. We will pay \$25 for shoes that are in good condition. If you need to order new shoes, we need your size and \$45 for new shoes.
- If you need uniform pieces: belts, patches, shoes, t-shirts and sweats, please order them tonight. Our dress uniform inspection is only 5 weeks from tonight.
- The second crew competition is tonight. See Peter for info. The first place team after four weeks will receive 3 points. The last place team will receive zero points. Team members who miss a night will have their points reduced by 25% per night.
- The Pogey sailing class will be held on Saturday and Sunday in two weeks. Time is 0900 -1600. We need Mariners to help instruct. Please see Stan White or Jeff Graham, if you can help. There will be an introductory barbecue for all Mariners at 1600 immediately following the Pogey Sailing Class.
- The Alamitos Bay Rendezvous is this weekend. New members and adults are most welcome to go. The options are these. Meet us there for the Saturday event only – cost is \$5 including lunch. Travel by boat from here on Friday evening and return on Sunday – cost is \$20. Plan on leaving on Friday evening and returning on Sunday. We will try to work in a Saturday evening movie. Either way sign up immediately.
- The whale festival is being held over the next two weekends. We have very limited access to the facility on these weekends. There will be no swabby maintenance this Saturday. The haulout of the PILGRIMAGE has been rescheduled for the weekend of April 10 and 11.
